RE: Identification Number C00310136
July Quarterly 30 Day Post General & 12 Day Pre General Report

Dear Ms. Kelly:

Enclosed please find our amended July Quarterly and amended 30 Day Post General. As per our recent telephone conversation, we have changed the National Republican Campaign Committees' purpose of disbursement from contribution to transfer of excess campaign funds. I have enclosed the amended Schedule Bs for your attention.

In addition, as per your letter in reference to our 12 Day Pre General Report kindly note that the two contributions for Mr. Robert B. Priest are for different general election periods. The first contribution was for 11/23/98, and the second contribution was for the general election 2000.

If you have any questions in regard to this matter please do not hesitate to contact us

Very Truly Yours,

Jerri-Lynn Wier
